

Light Up Crofton is Tonight!

Thank you to all of you for your support, excitement & participation! We can't wait to see the more than 12,000 luminaries placed around our community streets tonight.

For a first-year event, we are thrilled and humbled by the amount of people sharing the event with their friends, purchasing kits and working together with their neighbors.

There are neighborhoods all around the area participating. Attached is a guide of neighborhoods and streets. Whether you are walking, driving or both – get out and enjoy the lights!

Few reminders:

- 1) Tip: Use fireplace matches or long nose lighters to light the candles.
- 2) Try to have your candles lit by 5:30pm. – They are 10-hr candles, so should flame should last.
- 3) If you are able, move your cars off the street so your luminaries can be seen!
- 4) Be careful driving since there will be lots of slow-moving cars and pedestrians at night.
- 5) Please post your photos and tag **#LightUpCrofton**.
- 6) Join the Facebook event.
- 7) Drive around & enjoy!

From all the Families of Scout Troop 758 -- Thank you again! And we wish all of you a Happy & Safe Holiday Season!
