

Light Up Crofton

Sunday, December 13
Beginning at 5:30pm

Your Kit contains supplies for 10 luminaries:

- **10 white paper bags**
- **10 luminary candles.** These luminary candles contain a larger wick which creates a bigger flame and thus provides better illumination with less chance of accidentally blowing out. (10 hour burn length)
- **5 lbs. of sand** in a gallon bag

Instructions

- 1) Open each paper bag & fold down the top (Photo 1)
- 2) Add ½ cup of sand to each bag.
- 3) Place candle into the sand. (Photo 2)
- 4) Place bags 2-3 feet apart along the sidewalk, driveway or steps (whatever works for you)
- 5) **Light candles by 5:30pm.** We recommend you use grill lighters to light your luminaries.

We will email you a list of areas that are participating so you can drive around and enjoy.

We will contact you via email if a rain date is needed.
