

An Eagle Mom's Poem

It's every mother's dream to see,
her children growing tall and strong.
To teach them what is good and right
but also keep them from the wrong.

Mom so loves those little kids of hers
and uses all the skills she can.
She reminds them to always be Courteous and Kind
And always lend a helping hand.

They learn that words can hurt or heal,
that words can change the way we feel.
They learn that truth is right and good
and to treat their fellow man the way they should.

They learned that with great Freedom in this world,
there also stands their Nation's flag unfurled.
They learn to live by Faith and Love,
to always trust in God above.

The years have passed and in their wake,
a taller, straighter Scout now stands.
And Mother's pride is great indeed,
her children now will know no need.

Congratulations Eagle Scout,
The world is wide and so spread out,
Scouts taught you much of what life's about.
Prepared you well for the life you've led,
May you grow, prosper and always look ahead.

Thank you for attending
