Scouting Arizona
Adopt-A-School

Scouting Arizona's **Adopt-a-School** program is an exciting initiative that connects Scouts with schools in their own communities, fostering meaningful partnerships through service. Participating Scouts collaborate with school administrations—within clearly defined guidelines—to provide volunteer support that best meets each school's needs. We ask each group to commit to at least one school for at least one year. This program helps build strong community relationships while creating a lasting impact on schools, local Scout units, and the students they serve.

Acts of service is one way that Scouts keep their promise "to help other people at all times"

Scouting Arizona Adopt-a-School Pledge & Commitment

We, _____ pledge to adopt _____ for the 2024-2025 school year. We will fulfill our commitment by completing a minimum of one volunteer service project each semester. We look forward to working with the principal and staff to identify the school's needs and establish a plan that will bring meaningful progress.

We are honored to serve in this way, through sustained volunteer service we hope to contribute to the advancement of the school and to the spirit of community between our Scouts and our adopted school.

"Scouting builds leadership by teaching youth to live the Scout Oath and Law. Through outings & adventures, they gain skills to succeed in work, family, & faith. It's helped my family become great leaders."
